

# Note From Andy for June

Hey guys!

FUGE is coming up at the end of this month! I'm so excited for our week to worship together and to serve in missions. It'll be a bit different being at Milligan this year, but I'm excited to be at a smaller location and to get to make connections in our local area that we can, Lord willing, carry on beyond our week.

The theme for FUGE 2025 is "Into The Light: Owning Your Faith." So many middle schoolers, high schoolers, and even adults struggle to own their faith in Jesus Christ. Our salvation, our faith, and our trust in Jesus is not borrowed...it is OWNED, and God wants us to own that faith and to live out our faith boldly. Central to our relationship with Jesus Christ is the CHANGE that occurs as a result. But, like any relationship, we have to work at it! It doesn't happen naturally.

Sometimes we like to grab on to the easy parts...going to church, singing together, talking about The Bible. When we own our faith, we go ALL IN...engage in worship and sermons, deeply study The Bible, serve as a prayer warrior, share Jesus boldly with our friends, family, and everyone around us (Even at Wal-Mart!), and reflect Him with our words and actions no matter where we go or what we do.

God's Word tells us in Revelation 3:16:

*"But since you are like lukewarm water, neither hot nor cold, I will spit you out of my mouth!"*

Jesus wants us to BE ON FIRE for Him by owning our faith in Him, and my prayer for FUGE is that we would each make our goal to understand and apply what it means to take ownership of our salvation, our faith, and our trust in Christ!

Love you guys!

Andy
