

Note From Andy for July

Hey guys!

Ya'll ... this has been the craziest summer. It has been BUSY, but busy with ministry! Even though I view my work at Kennedy as ministry, I'm so blessed each summer to get to focus on ministry "full time" at church.

VBS 2025 was absolutely awesome! I truly believe God is moving in your generation and, as Shane Pruitt says, you guys are going to be the next Revival Generation. I pray that you keep craving God's Word, worshipping Him, and coming together to make a mighty move in this world for Jesus!

We have so many things coming up in July, including FUGE!

Love you guys!

Andy W.
